

4-H Serving to Learn,  
Learning to Serve  
**MY SERVICE GOALS**

The most effective service learning projects are those for which you feel a connection. Take some time to consider what projects are important to you and how you can best be of service. As you set service goals, consider who you can contact for more information and how soon you will need to begin your project. Remember – be specific about what you want to do!

**Personal Service Goals:**

These are service projects I plan to complete on my own.
